NEW FENCING

We very happy to announce that we will be upgrading our fencing at the front of the centre, within the coming weeks.

Subicare ELC was fortunate enough to receive funding for this upgrade from the Department of Local Communities, so a very big thank you to them for making this possible.

In an effort to reduce disruptions, the fences will be replaced one by one, this should minimise the project impacting on the Rainbow Room children's outdoor play time.

As always, we are sure children's curiosity will peak at the changes and they will love seeing the installation of the new fences.

Alongside our new fencing, we are hoping to upgrade our service's signage with the new logo, please assist us with this by completing the survey below:

Casual Staff

A key value we strive for at Subicare ELC is continuity and quality of care for children. It is with this objective in mind that we are happy to announce the recruitment of three new casual staff members within our service.

Amy and Sangay are both former students, who completed their practicum placements at Subicare, and Nikki is a local resident who comes highly recommended and experienced.

All three ladies possess a genuine passion for early childhood and have the benefit of already having formed bonds with our children, during time already spent at our centre.

The benefit of relying on a small pool of familiar casual staff for inevitable relief work such as permanent staff members illnesses or holidays, enables us to ensure that the children are consistently cared for, to the highest standard, by friendly and familiar people.

Holidays

Speaking of quality of care, we have now created a 'holiday tip sheet' for families to refer to.

Holidays, especially for an extended period of time, are a wonderful occurrence, however, during this time a lot can change; interests, developmental needs, routines etc.

These tip sheets have been created to support families during these transitions and to enable families and educators to conduct a thorough handover after any absences, which in turn enables us to better support your child with their ever changing emotional and physical needs.

Upcoming Events

ANZAC DAY

Subiaco community members are invited to attend the Subiaco RSL sub-branch ANZAC Day service on the morning of Wednesday 25 April.

The service will be followed by morning tea in Council Chambers at the Administration Centre.

Further details:
