Thank you to all the fathers who attended our

BEING A DAD TODAY

Workshop on March 6th.

The evening was a great success and we've had nothing but positive feedback!

A big thank you also to Craig from Relationships Australia for running the informative workshop.

Relationships Australia[®]

Please help us in supporting a member of our Subicare family as she participates in this year's

World's Greatest Shave

Sally is the Mother of two beautiful girls, Annabelle, who is currently in our Sunshine Room and Zara, who has graduated from Subicare and moved on to primary school.

Message from Sally...

I'm taking part in the World's Greatest Shave for the Leukaemia Foundation soon and I need your help! I'm on a mission to shave the world from blood cancer.

Please be my shave sidekick and sponsor me to give Aussie families facing blood cancer the emotional and practical support they need, plus fund vital research.

Every day another 35 Australians are diagnosed with a blood cancer. That's one Aussie every 41 minutes. Although research is improving survival, sadly an Australian loses their life to blood cancer every two hours.

Will you help by sponsoring me?

Reconciliation Action Plan

We are happy to announce we have begun the process of creating our Reconciliation Action Plan (RAP)

A RAP is a formal statement of commitment to reconciliation that provide a framework for actively valuing Aboriginal and Torres Strait Islander histories, cultures and contributions.

A RAP program has been developed to support educational environments to foster a high level of knowledge and pride in Aboriginal and Torres Strait Islander, it also provides a practical framework for action and for driving positive, whole scale change.

If you have any ideas or suggestions to help us with formulating our RAP,

Please email Lindsay director@subicare.com.au
