Wishing a very big congratulations to the whole family!

Excursion

Subicare is buzzing with excitement over our excursion to the zoo on Friday the 26th of July!

Children from the Rainbow Room, Sunshine Room and four of the older children from the Balloon Room will be accompanied by educators, management and admin staff to Perth Zoo.

The chartered bus we have arranged will depart Subicare at 10am, returning at 1pm, with a picnic lunch provided at the zoo.

If your child does not attend care on Friday, but you would like to join us at the zoo, you are most welcome to join us and accompany us around the exhibit, but your children will remain your responsibility at all times.

If you have any questions or queries, please don't hesitate to ask a member of the management team or one of the senior educator's from your child's care area.

Lindsay has been very busy over the last few weeks updating all of our centre policies.

All of the updated policies will be available as of Tuesday the 23rd of July,

in our centre policy file, located in the foyer.

Sheila Humphries

We were so very excited to welcome Sheila Humphries and her daughter Bec, to Subicare on Friday 19th of July. Earlier in the week our Centre Manager Sarah and Early Childhood Teacher Ashlyn had attended Sheila's talk about the Stolen Generation and her own incredible personal experiences.

Supporting our service's Reconciliation Action Plan (RAP) we are thrilled to announce we have purchased eight of Sheila's amazing pieces of art for our service (chosen by children and staff) and have made plans to collaborate again in the near future with some art classes for the children.

The time, dedication and talent that goes in to each of these pieces is absolutely amazing and listening to Sheila's explanations of each one, with both children and staff as we made our selections was so lovely. Thank you so much, Sheila, for sharing your work and stories with us.

There are three pieces of Sheila's art available for purchase, on display outside the office. If you would like to purchase one of these pieces, please speak to Lindsay or a member of the management team.
