# Congratulations!

It has been a wonderful few weeks of celebrations for some of our educators here at Subicare!

Wishing a very big congratulations to Ashlyn and her partner Alex, who recently got engaged.

Lucy and her husband Robert, who are expecting their 2<sup>nd</sup> child and finally, to Deanna and her husband Johnathan, who are expecting for the first time, with twins on the way.

...What a joyful time for Subicare!

# BOOK WEEK 2019

*Please join us in celebrating Book Week for 2019.*

*We invite you to come dressed as your favourite book character every day, as we  
celebrate Australian children's literature throughout the week.*

**“You can find magic  
wherever you look.  
Sit back and relax,  
all you need is  
a book.””**

## Sustainability Update

This week our Sustainability Co-ordinator, Agnes, worked closely with our kindy room to prepare the food scraps for the worms in our worm farm. Together they discussed waste as they took the food scraps to the table to cut in to smaller pieces, why they needed to carefully cut the scraps in to small pieces for the worms and then the steps of the entire worm farm process. Once the scraps were prepared, they took them to the worm farm as a group and placed them in for the worms to start digesting.
