Subicare Cookbook

We are making a Subicare Cookbook!

The cookbook will bring together all of your favourite recipes for not just food but also activities (e.g. playdough). It will have lots of tips for parents looking to feed their kids healthy, nutritious food.

This means that we need your recipes! Over the next few days we will be sending out a link to a form where you can submit a recipe or pass by the office to pick up a paper copy. Email your recipes, and any questions to Giselle (Chloé's mom – Rainbow Room) at

gweybrecht@gmail.com

Submit as many as you like (one recipe per form please). Please send them through by the **30th of September, 2019**.

The book will be for sale later this year and all funds raised will go towards our new Rainbow room playground and sustainability efforts.

Supporting Women's Mental Health

www.liptember.com.au Proudly supported by 

Subicare is proud to be taking part in Liptember!

Liptember is a campaign dedicated to raising funds and awareness for women's mental health, harnessing the true potential of the collective, encouraging and inspiring people to listen, share, and learn.

Helping start the conversation off, by popping a little coloured lipstick on; individuals and teams are encouraged to register online and seek sponsorship from family, friends and co-workers for committing to wear the lippy throughout September.

Funds raised during the month of September are donated to the Centre for Women's Mental Health, Lifeline, Batyr, RUOK?, The Jean Hailes Foundation & The Pretty Foundation.

We would greatly appreciate your support with this cause,
