Christmas Update

Due to current COVID-19 restrictions, we have decided not to host a whole of centre Christmas party for 2020.

We will however be hosting a week of celebrations between December 7th – 11th to ensure each child has the opportunity to take part in the festive merriments.

The dates for the closure period over this year's holiday break are:

Wednesday, December 23rd 2020 - Friday, January 8th 2021

Children to return to care as of Monday the 11th of January.

Annual General Meeting

The **2020 Annual General Meeting (AGM)** for Subicare Early Learning Centre Inc. (The Association) will be held on:

Friday 20th of November

5.30pm - 6.30pm

Subicare Early Learning Centre, 295 Bagot Road, Subiaco.

Drinks and snacks will be provided and child minding will be available for Subicare children. The meeting will be arranged in line with COVID-19 restrictions. More details to follow re attendance requirements and the agenda for the night.

At the AGM, members can nominate for election to the Board. The Board is responsible for setting the strategic and operational direction of Subicare. The contribution and expertise from parents on the Board is crucial for running Subicare on behalf of our children, families, staff and community. Thank you to all the families who have already expressed their interest in joining the Board.

A key role we are needing to fill based on the current interest in joining the Board next year is the Treasurer role. The Treasurer oversees the financial administration of the centre and ensures that Subicare's financial affairs are conducted correctly and efficiently. We have a bookkeeper on staff who completes all tasks and works in conjunction with the Director in completing the operational financial requirements

If you feel you have the necessary skills for the role, or have any further questions about the AGM, please feel free to speak to Lindsay.

We look forward to seeing you at the meeting!

Subicare Values

In 2019 the Subicare Board began developing longterm plans for Subicare to ensure its continued success, and the process of formally defining Subicare's values. This has involved reviewing internal and external factors that influence Subicare now and into future and identifying areas of strength and improvement for the centre. The development of the values has been a collaborative effort between the Subicare Board, Management and staff , We are now excited to share a group of values that, as a whole, captures Subicare's uniqueness, and articulates to our core users and wider community how we deliver quality early years education and care. These values are: care, relationships, potential, equality and fun.

CARE

We are committed to ensuring a safe, supportive, respectful and nurturing environment for children, their families, and our staff. We aim to provide a high-quality service that is accessible and affordable.

RELATIONSHIPS

We are focused on developing open and trusting relationships with our families, staff, Board and other related organisations in order to create a healthy and resilient community.

POTENTIAL

We support the individual growth of our children and staff. We help everyone progress towards achieving their potential not just for now, but with lessons about themselves and the world around them that will set them up for life.

EQUALITY

We value diversity and inclusivity. We respect and celebrate our differences and focus on what unites us.

FUN

We take fun seriously and use it to engage children in their learning and developing their curiosity as part of evidence informed curriculum.

We would like to extend a heartfelt thank you to the Hanna family for their commitment and years of service on the Subicare Board. Rebekha served as Treasurer for 1 year and Andrew has served for 3 years.

We are so sad to be wishing you farewell, but wish your family all the best with your exciting new move!

You will be so missed but will always be part for the Subicare family.
