CENTRE UPDATES

FAREWELL MICHELE

It is with sadness that we must inform you that Michele will no longer be leading the Balloon Room.

Michele has submitted a letter of resignation, effective immediately, due to circumstances beyond her control. It has been a privilege to have Michele as a member of the Subicare family for the last two years. Her amazing ability to nurture and foster children's innate curiosity while supporting their development is something we will truly miss. We understand that this news is quite sudden, but we do ask that Michele's privacy be respected and the details of her departure be left private. The Balloon Room children will be supported during this transition with a rotation of familiar staff to help provided consistency for them during this change.

Thank you in advance for your compassion and understanding during this time, Michele will be thought of often and fondly and we wish her all the very best in all future endeavours.

Parent/ Educator Meetings

Thank you to those who have already attended your meeting. We hope you found it helpful.

Balloon Room meetings are now closed, Sunshine Room meetings are being held currently and Rainbow Room meetings will be commencing next week.

Can you help?

CALLING FOR A PATH PAVING VOLUNTEER!

We would like to create a special family project along the Subicare main path. However, we need the assistance of a parent volunteer to assist with pulling up and re-paving.

If you are able to help, or can offer a discount, we would greatly appreciate your assistance.

Please let Lindsay know if you can help or have any questions.

2021 NATIONAL RECONCILIATION WEEK

National Reconciliation Week (NRW) is almost here for 2021. The theme for 2021, *More than a word. Reconciliation takes action*, urges the reconciliation movement towards braver and more impactful action. The 2021 theme graphics are drawn from the artwork *Action* by Jessica Johnson.

The artwork reflects our connection and mutual obligation to one another, community and Country. Through commonality and difference, we have the ability to come together and achieve real change.

Aboriginal and Torres Strait Islander peoples have been listening to the heart beat of the land and sea for generations. With their rainbow shaped souls the spirits ask for us to join and make reconciliation more than a word, take action. We need to love one another and every aspect of the existing environment and community – we all have a role to play.

We are the change.
