# DEVICE FREE DAYS

In this day and age, there is no doubt that technology has completely transformed the way we communicate. At Subicare this has been a positive thing, as we have made sustainable changes like progressing from paper based, physical copies of documentation, to digital formats and platforms such as Kindyhub and predominantly digital communication.

We have received great feedback from families, confirming that these changes have made your busy lives easier. The digital sign ins made drop off/ collection times quicker at peak busy times of the day and the option to log in to Kindyhub at any time, to access your child's daily information, photos and learning, meant that you weren't rushing to have a quick glance at their portfolios on the way to or from work. Behind the scenes of the daily reports and learning stories you receive regularly are educators working hard to document this information and using reflection as tool to guide future learning.

While there are definitely many benefits to technology, one key factor staff have noticed on reflection is that time spent away from technology is the time where staff are able to genuinely connect with the children and provide quality education and care, without distraction or necessary multitasking.

Acting on this reflection, we would like to introduce one device free day per week. On this day, the only digital communication you will receive about your child is their daily physical health information, sleep times, nappy changes/toileting, food/drink intake and a few photos of play from throughout the day. This information will then be uploaded during rest times, where most of the children are sleeping. In lieu of a daily report, we encourage you to verbally discuss your child's day with them and/or their educators upon collection. These 'tech free' days are for the whole service (aside from admin) and will occur on a 5 week rotation, to ensure consistency. Eg, Monday one week, Tuesday the next week etc.

If you have any questions or queries in regards to this matter, you can email Lindsay: [director@subicare.com.au](mailto:director@subicare.com.au) or phone the centre on (08) 93824607.

# COMMUNITY LIBRARY

**Thank you to everybody who has  
used our community library.  
It's lovely to see it being used so often.**

**Because it has been so well loved, it's looking a little bare.**

**We would appreciate any donations, particularly children's books, so that  
others can continue using the library too. After you have taken and read a  
book, please return it for others to enjoy too or replace it with another book.**

*Thank you in advance for your cooperation!*

CBCA BOOK WEEK

# OLD WORLDS, NEW WORLDS, OTHER WORLDS

21-27 AUGUST 2021
