Unfortunately we bid farewell to Maddie and Nina who are pursuing exciting opportunities this year. Maddie is studying & Nina has been offered a position at the Autism Association. Thank you both and best wishes for the future!

COVID-19 UPDATE

We would like to say a very big thank you to all of our families who continue to wear masks in centre and sign in using the ServiceWA or SafeWA apps.

We understand how uncomfortable it is, particularly in hot weather, but appreciate you helping us to keep our community safe.

In line with this goal, Subicare has an active COVID-19 safety plan that is regularly reviewed and updated as required.

If you would like to view this safety plan, please don't hesitate to ask a member of the management team.

SUN SAFETY

With the hot Summer weather in full swing, we'd like to remind all of our families to please provide weather appropriate clothing for your children (including spares) and encourage the use of our complimentary sunscreen station by the front door. Please help us protect your child from harmful UV rays by applying their first sunscreen application at home or as soon you arrive at the centre. Let educators know when you applied the sunscreen when you drop your child off and they will then see to it that additional applications happen every 2 hours during the day.
