2022 PARENT/EDUCATOR

*meetings*

Our first round of biannual parent/educator meetings are due to commence at the end of May, the original dates were postponed slightly, due to the COVID measures that were in place. The meeting dates are now:

Balloon Room (13th - 24th June)  
Sunshine Room (23rd - 27th May)  
Rainbow Room (30th May - 10th June)

In the coming weeks you will receive a Kindyhub message from Deanna, with an overview of the process and an attached family input form, please fill this short form out with information about your child and return it as soon as possible.

Keep an eye out for a meeting sheet on the door of your child's care area. This is where you can choose a half an hour meeting time slot that suits you best.

Once educators receive the family input forms, they can begin preparation for your meeting. Educators also fill out input forms, and these 2 forms combined help steer the conversation about your child's learning, development and future goals during the meeting.

# COVID-19 UPDATE

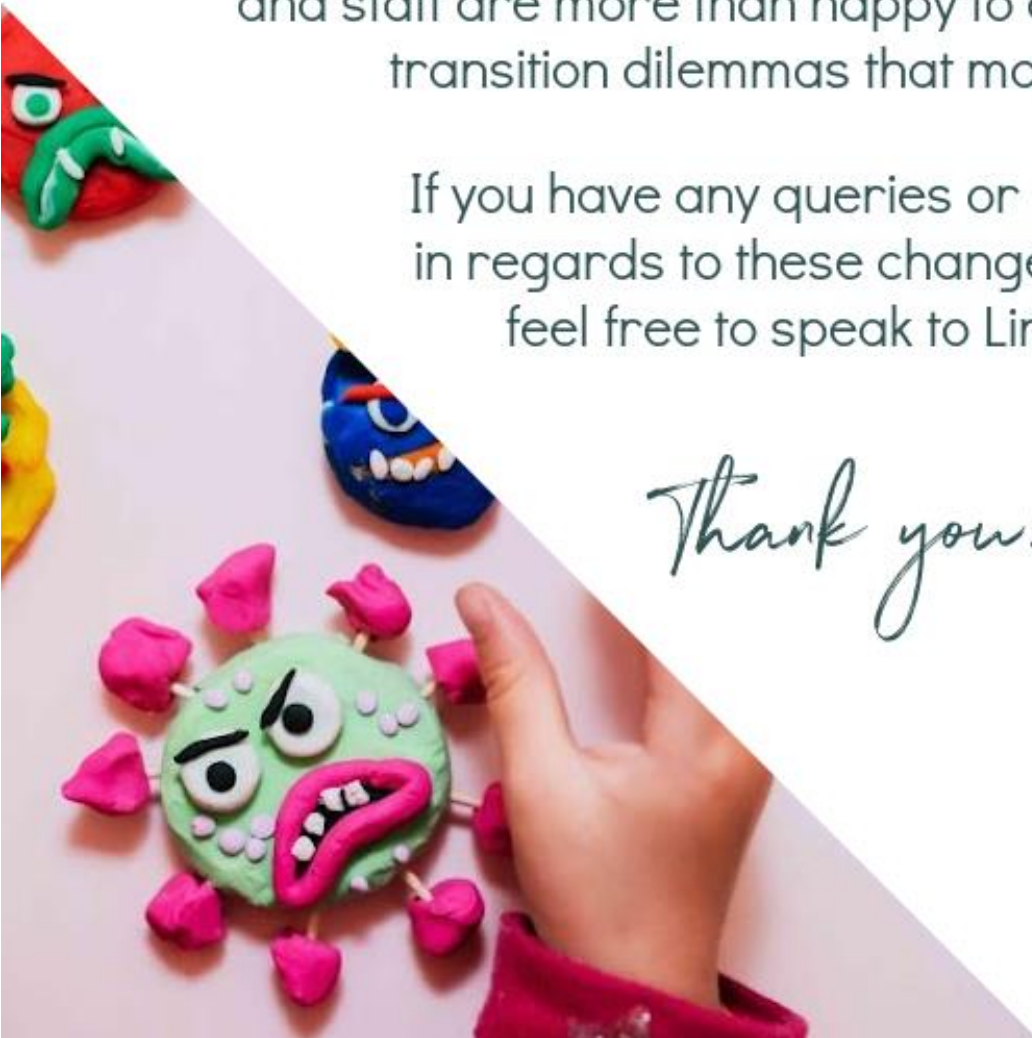

As of next week, we are allowing families back into the service for drop off and pick up. However, we will be limiting this to only one person per family.  
(This includes siblings as well)

To minimise the amount of people in the care area at once, we ask that families still please complete the Kindyhub messages and send them in prior to arriving.

Families are also asked to not stay around for too long and limit drop off time to no more than 5 minutes. We are aware that this will be another change for children and staff are more than happy to assist with any transition dilemmas that may arise.

If you have any queries or concerns, in regards to these changes, please feel free to speak to Lindsay.

*Thank you!*

They shall grow not old,  
as we that are left grow  
old;

Age shall not weary  
them, nor the years  
condemn.

At the going down of  
the sun and in the  
morning

We will remember them.
