## COVID-19 UPDATE

While masks are not currently mandatory, we do ask that you please consider wearing one during drop off & pick up times anyway.

For the foreseeable future, Subicare will also continue minimising the number of people in service by limiting pick up and drop off times to 1 adult per family.

We thank you so much for your patience and cooperation during these unprecedented times and truly appreciate your understanding during all of these changes.

The logo features the words "PARENT & EDUCATOR" in a black, all-caps, serif font. Below this, the word "meetings" is written in a large, flowing, red cursive script. The entire graphic is set against a white background.

PARENT & EDUCATOR  
meetings

Our first round of biannual parent educator meetings are about to begin after the original dates were postponed slightly, due to the COVID-19 measure.

**MEETING DATES:**

Balloon Room (13th - 24th June)  
Sunshine Room (23rd - 27th May)  
Rainbow Room (30th May - 10th June)

If you haven't already, you will soon receive a Kindyhub message from Deanna, with an overview of the process and an attached family input form. Please fill this short form out with information about your child and return it as soon as possible.

Keep an eye out for a meeting sheet on the door of your child's care area. This is where you can choose a half an hour meeting time slot that suits you best. Once educators receive the family input forms, they can begin preparation for your meeting.

Educators also fill out input forms, and these 2 forms combined help steer the conversation about your child's learning, development and future goals during the meeting.

# TGA SUNSCREEN RECALL

This week the Therapeutic Goods Administration (TGA) has recalled a number of commonly used sunscreens, due to the presence of benzene

The sunscreen Subicare provides for the children is not mentioned on the list, however we are aware that some of our families do use these brands of sunscreen.

The current alert information also indicates that there are likely to be more added to the list.

Please use the link below to find the latest information:
